Step up your fishing and family boating game with the 2023 Blazer Bay 2700 Hybrid Bay, the ultimate blend of offshore capability and shallow-water performance. Measuring 26'7" with a 9'2" beam, this versatile hybrid bay boat delivers a smooth, dry ride in rough water while drafting just 16 inches—perfect for bay and backwater fishing.

Stay locked on your fishing spot with the Minn Kota Terrova trolling motor and hold position in the shallows with the Power-Pole shallow water anchor. The Simrad chartplotter/fish finder keeps your favorite spots saved and guides you exactly where to drop lines.

Whether you're chasing inshore species or running offshore for big game, this Blazer Bay 2700

Hybrid Bay is built to perform in any environment.
