The 2660 Bay Ranger builds on Ranger's sterling lineup of bay boats with a new hull, expanded capability and an extreme attention to detail to deliver incredible performance and fishability to pursue saltwater species around the globe. Twin rod storages and a massive fish box highlight the angler-centric front deck that is ideal for casting jigs or nets. Live bait rides behind the helm seat and/or in the front deck step for quick access to keep the bite going while rod holders throughout keep your gear handy. A rear swim platform and optional front-deck cushions add versatility to the 2660 for a family-oriented outing, but when it's time to get after the fish the 400-horsepower rating offers excitement on demand. The Ranger 2660 boasts ample muscle for all of your blue water quests.

- Twin jump seats in rear deck
- 97-gallon fuel capacity
- Flip-down bolstered cockpit seating for maximum versatility, visibility and comfort
- Ranger One-Piece Feel Interloc Construction®
- Fully foam-injected hull for buoyancy, insulation from vibration and rigidity
