General Boat Description

The 30 CT doesn't just meet expectations—it shatters them. With its Ride Dynamic Ventilated Stepped (RDVS) running surface, this boat is ready to tackle whatever the sea throws its way. Imagine fishing in waters you'd never dare to venture into with any other center console. The 30 CT comes with two midship insulated storage compartments, offering a whopping 1,040 qt of storage connected to Whale Gulper Grouper macerator pumps. Choose how you want to allocate space—be it for storage or fishboxes. A standard 70-gallon transom livewell is just the beginning; you can customize further to fit your unique angling needs.
