General Boat Description

Whether you're towing teasers over the big blue or taming hero snook in the backcountry, this is your go-to hybrid rig. Famous for its soft ride and recognizable Carolina flare, this platform isn't just good looks. The 2510 comes standard with a stand-up 40-gallon livewell with 2,200 GPH aeration, a large storage console suitable for a Porta Potti, easy access to pumps, strainers and valves as well as all the comforts the family demands. A big fuel tank and 400-horse rating mean you can go farther, faster with economical performance. A wide-open layout hides storage everywhere, while delivering maximum stability and fishabilty. Standard with every 2510 is a dual-axle, aluminum-framed Ranger Trail® trailer that boasts sealed LED lights, four disc brakes and a center swing jack for the utmost in security and storage options. When you're ready to step up your game in a big bay boat, the Ranger 2510 will take you to the next level.
