20,000 Leagues Above The Competition

Ready to go past the breakers with confidence? The 2510 Bay Ranger® is just the rig for you. The Carolina Flare bow delivers smooth and dry performance on long runs. With a 350-horsepower rating and a 97-gallon fuel capacity, you can go deeper into the blue, and with plush seating you can do so comfortably. In the console is a head, and at the helm are dual MFDs, trim switches and an available flybridge can be had overhead. Aft fold-down seats stow when you need space to fight fish and loads of dry storage ensure your gear will remain safe and dry no matter what the sea throws your way. The 2510 Bay Ranger delivers comfort, fishability and peace of mind thanks to our legendary build process that lend this rig upright, level flotation, buoyancy that exceeds the Coast Guard's demands and a solid, one-piece feel.
